Dear Eric Graves Families,

This communication provides you the information needed for all students to successfully begin online learning Monday morning at 8:35.

Chromebook distribution and access to lockers

If your child requires a Chromebook to participate in online learning, you may call 902-435-8325 or email jillian.ross@hrce.ca. To avoid unnecessary line-ups, please call ahead so Chromebooks can be prepared.

We are asking that students come at these times:

Grade 7's- 9 to 10

Grade 8's- 10 to 11

Grade 9's – 11 to 12

When you arrive, please ring the bell at the main doors and someone will assist you. Please wear a mask and socially distance yourself from other people who may arrive at the same time.

At this time, only essential visitors are permitted in the building. If there is something in a student's locker that is essential to their learning next week, we will grant them access to their lockers. We ask that students wishing to access their lockers arrive at the same grade specific times as students picking up chrome books (please see above). If there are items in student lockers that are not immediately essential, we ask that students wait until January 17 to gain access to their lockers.

Attendance

Teachers will take attendance at the beginning of every online class. When teachers do attendance, students are requested to indicate that they are in class. If your child will not be "in class" please continue to notify the school at 902-435-8325 and follow the voice mail prompts. Please leave a message excusing your child from classes for the day.
